The emergency camp at the Memorial Park of Freedom and Human Right Abuses which is in under West Papua Customary Authority got intervention by the chef of Jayapura Regency, Habel Melkias Suwae. The letter of camp execution was sent to chef of West Papua National Committee who has organized to build the camp. Habel Melkias Suwae has pressured by Indonesia Intel Body (BIN) thought Kesatuan Bangsa (Kesbang) to take any policies to break down all activities doing by West Papua People at the park.

The camp of emergency which was build up for making struggle activities and serving West Papua people who are exodus from Indonesia (Java, Sumatera, Bali, Sulawesi) to West Papua is now needed big solidarity, because Indonesia thought TNI/POLRI will terror, intimidate to cut down all West Papuan civil activities. They are now preparing after instruction by Local Government at Sentani to clean all activities at the park.

Boy Eluay, the older child of Theys Eluay who was tortured by Koppasus (Indonesia Special Forces) 2001 and the Chef of Papua Customary Council, Forkorus Yaboisembut have given hard reaction on the issue. "We as the Indigenous people are the owner of the land. We state Indonesia Government have over protection in this land. How can we live freely on our land? We want to be alone without Indonesia in West Papua, said Forkorus.

Meanwhile, Victor F. Yeimo, the Coordinator of West Papua National Committee who lead the camp said, they will maintain the camp, because the park where the camp activities going is under Papua Customary Council Authority, not under Indonesia government. This place will be using for giving the appreciating of the leader of Theys H. Eluay who leave Truth and Justice for West Papua people.

Indonesia government are trying to make degradation to West Papua civil power, especially for West Papua Indigenous people who try to fight for their right for self determination. Many activists arrested and jailed. Many others now in the target. The international Intervention is needed. Papua is under emergency zone. [Posko]
