

Sentani, [kabarpapua.com] -Until now, hundred West Papua people from Java, Sulawesi and Bali who studied went back to West Papua.

The exodus of West Papua are from Jogjakarta, Jakarta, Semarang, Solo, Sala tiga, Surabaya, Malang, Bali, Manado and Makasar. They went back to West Papua because they have been intimidate, terrored by Indonesian's intel .

They were unsafe study in Java, Bali and Sulawesi because they marginalize by Indonesia people and Indonesia special inteligent force always blocked and terror their peaceful protest.

International Intervention needed, because they will back to West Papua and demand the right of self determination.
