

**West Papuan peoples came out on the street Peaceful rally supporting ILWP Lunch in
Guyana turning to Violence by Indonesia Police.**

'The people didn't react or throw anything, but Brimob attacked them' Douw, Catholic Church activist

The incident took place when a crowd of some 200 indigenous Papuans had gathered to rally in the street

"The people didn't react or throw anything, but Indonesia police attacked them," Douw said, adding that

We need more support from outside world because we Papuan always try to peaceful why but Indonesia

This is the Indonesia way run the country call Indonesia and the Indonesia Police and Military are very

Albertus Tari (10-years old student elementary school) shoot from the back injury by Indonesia Police

Roy Singgamui (30), wound shoot through the left chest up to the outside
